### HEARD ON THE ROUTE

Summer is here and families with young children face the task of finding things for them to do to keep them occupied. This goes for our riders as well. If you are looking for summer camps and activities for your children, you can go to the Heart of South Jersey “Resource Central Directory” and choose a county, click onto the main topic of “Youth Programs” or just the sub-category “Camps,” and it will provide 50 different sites to explore. Go to [www.heartsj.com](http://www.heartsj.com) and click onto the directory.

For a summer camp right on the route checkout the information attached about the Gloucester County Boys and Girls Club summer camps. It is located within a short walk from the **shuttle stop #7**.
